

Dead Ringer

While speaking at a Hong Kong medical conference, neurosurgeon Dr. Lucas McCrae slips the cloth off a cadaver's head during a routine medical demonstration, and is overwhelmed with the shock of what's staring back at him: his best friend, Andy Baer. Stunned, McCrae races back to Seattle to discover that Andy is in fact missing. He may have been murdered by a gang of body snatchers who operate a legit funeral business and make a fortune by selling recovered body parts to medical researchers. McCrae teams up with an unlikely pair: a beautiful but hardnosed female cop and a gang member whose family was victimized by the body parts ring to try and expose a macabre web of corruption that involves law enforcement, politicians, funeral home curators, and murdered prostitutes. Internationally renowned neurosurgeon Allen Wyler takes us deep into a nightmarish scenario, shockingly ripped from recent headlines, and delivers a horrifically plausible, page-turning thriller.
