

Dealmaking in the Film & Television Industry: From Negotiations to Final Contracts

Dealmaking is the first self-defense book for everyone working in the film and television industry, Addressing a general, non-attorney readership, it is a fascinating, highly accessible and practical guide to current entertainment laws peculiarities and creative practices. Armed with this book, filmmakers can save themselves thousands of dollars in legal fees as they navigate the entertainment business shark-infested waters. Whether you are a professional or wannabe producer, writer, director, or actor, Litwak can help you make the most of your business dealings while steering you clear of contractual traps. The second edition of this popular book contains hundreds of updates and revisions of the first edition and includes two new chapters: Legal Remedies and Retaining Attorneys, Agents, and Managers.
