

Decorative Arts of Amish

What do Amish dolls, textiles, and antique furniture have in common with Amish quilts? Why has Lancaster County, Pennsylvania, become a favorite area for folk art collectors? Two leading experts show how the values of the Lancaster Amish are reflected in a dazzling variety of decorative arts. The volume is important because it is the first to illustrate and document late 19th- to 20th-century Amish arts and crafts and to attribute particular items to a craftsman. -- The Philadelphia Inquirer Two leading experts show how the values of the Lancaster Amish are reflected in a dazzling variety of decorative arts.
