

## Die Another Day (Library Edition)

Based on the screenplay by Neal Purvis and Robert Wade When danger becomes a temptation . . . when every move brings you closer to the edge . . . when you live every day as if its your last . . . theres a surprise around every curve. After months of torture in a North Korean prison, secret agent James Bond is released, only to find that M has deactivated him. On his own, Agent 007 follows the trail of a megalomaniac menace through the seedy streets of Shanghai and hideaways of Havana. Finally, in a magnificent crystalline ice palace, Bond encounters two fiery femmes fatales and a master plot to destroy the planet with a demonic weapon of mass destruction.
