

## Reflections on Mad Men Season Six (Dont Look in the Mirror series) (Dont Look in Mirror Book 6)

Radio host Jordan Rich (WBZ & WCCO) says As an ebook, its brilliant. In Dont Look In the Mirror: Reflections on Mad Men Season 5 and 6, John Doherty really digs into what its all about. Im just amazed- the way he explains it is fabulous. Mad Men is one of the most rewarding shows for obsessives, and John Doherty brings his artists eye to a deep review of the shows Season Six. Did you catch the reference to Dantes Inferno in the finale? What symbol did they use repeatedly to denote staff shakeups in that episode? What was the inside joke of the scene introducing Megans Colette soap opera character? Did you catch the winking reference to Megan haters in the Mad Men audience in The Flood? Mad Men is like a great painting which reveals itself more the more time you spend looking at it. Go deep with a fellow obsessive, and relive the excellent sixth season of this ground breaking show.
