

European Yearbook of Disability Law: Volume 5

The European Yearbook of Disability Law is part of the ongoing research program of the Maastricht Center for Human Rights of Maastricht University and the Center for Disability Law and Policy of the National University of Ireland Galway. The Yearbook contains a series of articles on current challenges and developments from senior analysts and academics working in the field. It provides critical insight into the evolution of European disability law and policy and offers analyses of pressing challenges in a broad range of fields. The core of the Yearbook consists of a review of the preceding years significant events, as well as policy and legal developments within the institutions of the European Union. It reviews major EU policy developments, studies, publications, legislative proposals, and case law from the Court of Justice of the European Union and the European Court of Human Rights.
