

Laws Governing Energy Medicine Practitioners

Although experts in systems of the human body, most energy medicine practitioners and biofield therapists don't know anything about the system of laws governing their practice. Unfortunately, this lack of knowledge and understanding can lead to difficult investigations and expensive fines all due to simple misunderstandings. Now, you can protect yourself and your practice by learning the legal information you need to know with this comprehensive guide. Providing a complete overview of the health care and counseling laws and statutes affecting energy medicine, biofield therapists, and holistic practitioners, this compendium serves as a reference guide to navigating tricky legal issues from state to state. Compiled by Linnie Thomas, a Healing Touch certified instructor and practitioner, this manual provides important definitions, explanations, and overviews of laws on the books in all fifty states, the District of Columbia, Guam, Canada, and Puerto Rico. Don't spend hours searching for the information you need! Simply pick up this manual, educate yourself, and get on with your goal of helping people feel better through the power of touch.
