

## Hooray for Holly-What?

I think of myself as the most successful failure in the history of Hollywood. Led to believe before my twentieth birthday that I'd be writing for my favorite TV show before I was old enough to drink legally, I swallowed the bait, blindly followed the elusive dream, came within inches of the goal line on numerous occasions...and crashed right on my keyster every time. This isn't like any other Hollywood how-to guide you've ever read. In its pages lay nothing but the blatant, tragicomic realities of the outsider trying to make his or her way into the biz. Detailing all my own wacky misadventures, *Hooray for Holly-what?* teaches you how to struggle with grace, as dreams are dangled before you; make contacts and try to secure the ever-elusive agent; deal with endless rejections, apply for and then get low rung jobs. I entertain while encouraging the dreams and the harsh realities you must face as you pursue them.
