Oh Shit! Lets Color Swear Mandalas is my answer to numerous requests from friends, family and even strangers asking for me to jump into the best-selling swear coloring book niche! I have now truly gone into the adult coloring book business. LOLI get that swearing isn't for everyone and certainly not for everyone to color and I have no intention of offending anyone and apologize in advance if I do. However, I confess to being quite swear myself at times and have found swearing to be both cathartic and empowering at various points in my life. I respect swearing and I love coloring...so after some consideration and one last request to PLEEEEEEEZE do a swear coloring book for adults, I agreed. And, I loved creating this. I sincerely hope it becomes a bestseller because this book is so fun, joy-filled and happy. This is my third stress-relieving mandala book, I've sort of created my own version of the mandala. Mandalas are beautiful and amazing, but I've never really enjoyed coloring them...too stiff, too perfect somehow for my taste. So when I found a way to make an outline of a mandala and fill it with my own flowy art - and in the case of this fun adult coloring book, a few choice swear words and phrases - now that was really exciting and the results were delightful! Super fun to create and more importantly, color! The Fun & Swear Phrases Included Are: Oh Shit!, Fuck It , Fuck This, Bullshit, I Call Shit, Dickhead, Fucktard, Asshole, Dipshit, Holy Shit, Dammit, Motherfucker, Wanker, Bugger Off, Fuck You, Son of a Bitch, Fuck, Piss, Damn, Piss Off, Fuck Off, Shit, Fuck Yeah, Fuckin A, Crap, Drat
