

Dont Let Insurance Companies Take Advantage of You: Knowing Your Rights and Protecting Your Interests for the Maximum Settlement Possible

This book goes into several ways insurance companies try to get injured parties to settle for the least amount possible, and how you can protect yourself against this. This book goes into depth on various ways one can settlement their injury claims for the maximum amount; and how to even pursue multiple settlements if the facts warrant it. This book goes into great detail as to all important areas of an accident claim; from medical treatment to making a demand on an insurance company; to negotiations and ultimate settlement of the claim itself. Further, important areas are discussed for AFTER the claim is settled (an area often left out or forgotten about), such as: how to use and negotiate down vital subrogation claims, to reducing medical bills and more. Nothing is left out of this excellent book. This book is a great gift, an a great part of ones home library. This can be an important tool for those who have not yet even been in an accident, as often the first couple weeks of an injury claim are vital and often mistakes are made. Be ready in case of an accident and purchase the book now, so you will know how to properly pursue your claim!
