

Double Jeopardy

Tabloid reporter Michael Hanlon is drawn into a web of intrigue, deception and murder when his paper gets a tip that an A-list actress has been found dead in a South Florida canal. Teamed up with fellow reporter Jane Connally, Michael is sent undercover by his mass circulation paper to blow the lid off the murder and answer questions about the actress secret lifestyle. The trail leads them into an underworld of pornography and double-dealing, where the reporters, bent on a story to die for, find their own lives are on the line. Double Jeopardy is a fast-paced thriller set in Palm Beach County, Florida, home of the mass-market medium that changed the face of American journalism.
