

Inside Bartlets White House: An Unofficial and Unauthorised Guide to the West Wing

The West Wing has been one of the most talked-about and critically acclaimed series in the UK, and in the US it is NBC's biggest hit drama show in years, Inside Bartlets White House is an unofficial and indispensable guide to the show, diving deep into the world of American Politics and searching for the truth and integrity behind the Bartlet administration. Now updated to encompass Season Three and part of Season Four, covering the highlights of the episodes in categories such as American History X, Sex and Drugs and RocknRoll, A view from the Hill and Logic, Let Me Introduce You to This Window, it is an essential look at the complex and fascinating world of the White House and the most powerful men in the world.
