

PassKey Registered Tax Return Preparer Workbook: Three Complete IRS RTRP Practice Exams, 2013-2014 Edition

THIS BOOK IS OUT-OF-PRINT. NEW EDITIONS ARE RELEASED IN APRIL. PassKeys RTRP Review Workbook features three full sample exams to accompany the PassKey RTRP Review study guide for 2013-2014. This workbook is for use for the exam testing season through March 30, 2014. You'll be able to test yourself on a total of 360 questions with detailed answers that are clearly explained in the answer section in the back of the book. This workbook will help you study all the important concepts you need to know to prepare taxes for individuals and to pass the RTRP exam. Question topics include preliminary work and collection of taxpayer data; treatment of income and assets; deductions and credits; other taxes; completion of the filing process; practices and procedures; and ethics. Test yourself, time yourself, and learn! *Note: At the time of this book's printing, the RTRP designation was currently under suspension as a result of litigation against the IRS. The RTRP exam has not yet been scheduled for 2013, and it is unclear whether it will be offered to tax preparers on either a voluntary or mandatory basis.
