

The Take2 Guide to Lost - 400 page sample excerpt

Over 50 contributors ask and answer all your questions in this ultimate eBook compendium of everything related to the most iconic and talked-about series in Television history. This is a 400 page sample of the full tome that will be available from September 18, 2015. Just the Ending Chapter alone has over 30 articles, opinions and insights to further challenge your perspective. The sumptuous Episode Guide is a definitive resource of over 350 articles with at least two reviews of each episode as well as synopses, tidbits and a comprehensive archive of intertextual references within each episode. Compulsory television generated a sweeping dialogue and here it is. Each Chapter and Guide is made up of multiple associated articles from the likes-of award-winning sci-fi authors David Brin and Peter Watts, academics including Dr Kristine Larsen and Alan Shapiro, Lost community leaders such as Jon Lachonis, news producers, comedy writers and professional and lay bloggers who spawned a revolution in television criticism. This excerpt contains over 400 pages providing for a clear view of the entire contents and structure of the book. What's Inside? Chapter 1 - Overture? The complete chapter is included comprising of the chapter Introduction, the linked Index of all the articles that follow and all the articles in full. This gives a clear view of how all the following Chapters are structured. Chapter 2 - Cast and Characters? The Introduction and the Index of articles is included but all the articles are missing. This Chapter also includes the Cast and Character Guide, but in this sample version the complete listing for Jack Shepherd (Mathew Fox) is the only one included. Chapter 3 - Mythology?
