

# Whither? & Other Stories

Mordechai Zeev Feuerberg (1874-1899) rebelled against his traditional religious Jewish education. He studied the literature of the Enlightenment and the Jewish poets of the Middle Ages. His first story was published in 1896, and *Whither?* was published just prior to his death. *Whither?* captures the quandary of young men caught between the choices of rejecting a world of rigid traditionalism or embracing the new secular Yiddish culture.
