

Valerie: Daughter of the Dragon

While collaborating on a fashion show, Samantha Hammond, a forty-something old Display Manager draws the attention of the mysterious clothing designer, Valerie Ross. Samantha's journey of self-discovery takes her from the security of her hometown Lexington, Ohio, to the shores of a secluded paradise, Sabbatical Island. As their relationship flourishes, Samantha learns that Valerie harbors a terrifying secret. The revelation thrusts Samantha into a nightmarish world where vampires and witches dwell in the darkness. Pamela Darius, a murderous adversary from Valerie's past, uses Samantha and those around her as pawns in a deadly game filled with seduction, pain, betrayal, and death.
