

Killer in Crinolines (A Consignment Shop Mystery Book 2)

Its August in Savannah, Georgia hardly the season for a traditional Southern wedding with hoopskirts and crinolines. One could die from the heat or from a cake knife in the back... Reagan Summerside should be devoting all her energy to her consignment shop the Prissy Fox. But when her dear friend Chantilly Parker is arrested for murder, Reagan vows to clear her name. The victim is Simon Ambrose, who was found lying in his own wedding cake with a knife in his back. Chantilly has motive (Simon broke her heart to marry wealthy Waynetta Waverly) and opportunity (crashing the wedding in her UPS delivery truck). And she has cake on her face, and the stolen bridesmaid dress the killer wore is in her truck. But Chantilly would never wear crinoline to kill a man! With the help of her flamboyant auntie, KiKi, and vexing but attractive attorney Walker Boone, Reagan is determined to save her friend before she's forced to turn in her brown uniform for an orange jumpsuit
