

Delirium Volume One: The International Guide to Weird and Wonderful Films on DVD

DVD Delirium is a series of cross-referenced books. There are currently two editions available: Volume 1 and Volume 2. DVD DELIRIUM is the definitive - Region Free - guide to hundreds of DVD video releases from all over the globe. More than 1000 incredible films are reviewed in each issue of DVD Delirium - the world's first A-to-Z DVD guide series specially designed for collectors of cult, horror, science-fiction and fantasy movies. DVD is the ultimate home entertainment format, but it's a minefield for the serious collector. If fans want to know whether they should buy a particular film, these 640-page books will become their first points of reference. If these books save them from buying even one second-rate DVD, they will have paid for themselves right away! Plus, readers can discover masses of brilliant films they did not even know had been released! The world's most fascinating DVDs reviewed in depth by a team led by a dedicated genre fan who is also an industry insider! Fully cross-referenced to compare DVD releases from all over the world, so it is of just as much value to customers in each DVD Region; especially targeted at the North American market! These unique, stand-alone volumes in the DVD Delirium series are classics of weird film criticism! They include major contributions from world-renowned film journalist Kim Newman and FAB Press regular Tim Greaves. Hundreds and hundreds of fantastic, delirious movies reviewed in depth!
