

## EC Merger Regulation: Substantive Issues

EC Merger Regulation is a specifically practical mergers book. It provides a working guide to the most crucial EC Merger Regulation issues, with the purpose of supplying Competition and EC law practitioners with the key information and effective techniques they need to complete merger deals successfully. Throughout, it is alive to the practical issues involved and discusses them in lawyers terms. \* A highly practical rather than theoretical treatment, supplying clear answers to lawyers questions about the process \* Focuses on what lawyers negotiating the EC Merger Regulation process need to know to steer a deal through effectively \* Analyses the way in which the Commission reaches its decisions \* Examines the practical lessons from the substantial volume of case law and jurisprudence in this area
