

# Elder Law Forms Manual: Essential Documents for Representing the Older Client

This looseleaf manual contains more than 100 key forms and documents to help you:

- \* Organize a high-volume elder law practice
- \* Market your services to your clients
- \* Customize estate and Medicaid plans
- \* Provide the personalized service your clients deserve.

These practice-tested forms are designed specifically for handling the special problems that arise in the representation of older clients. Each form is accompanied by practical, insightful commentary from Harry Margolis, who tells you when and how it should be used. Many documents include a range of alternative clauses for common and not-so-common situations. The 13 chapters are organized into four parts:

- \* Managing the Elder Law Practice
- \* Basic Estate and Medicaid Planning
- \* Powers of Attorney and Wills
- \* Trusts
- \* Miscellaneous ElderLaw Forms Manual

saves hours of research and drafting time, simplifies information gathering, and gives you a competitive edge in this growing practice area.
