

Played to Death: A Scott Drayco Mystery Novel (Scott Drayco Mystery Series)

Named Best Mystery in the 2015 Next Generation Indie Book Awards 2015 Shamus Award finalist Featured Self-E Selection from Library Journal For fans of PBS and BBC mysteries! Former piano prodigy turned FBI agent Scott Drayco is suffering nightmares from his last case as a private consultant. To add insult to injury, he bequeathed an unwanted and rundown Opera House in Cape Unity, a down-on-its-luck seaside village where vacation homes were once a playground for the rich. His hopes for a quick sale are dashed when a new client with dreams of his own redemption is murdered in the Opera House, the letter G mockingly carved into his chest. Drayco soon gets pulled into a tangled web of jealousy and betrayal that reaches across the Atlantic into some of the darkest days of human history. But will he be able to untangle the web before the tensions in Cape Unity explode into more violence and he becomes the next victim?
