

# Encyclopedia of the U.S. Supreme Court

Designed to meet the growing need among students and members of the general public for clear, authoritative, and up-to-date information about the Supreme Court, these three volumes offer a comprehensive guide to the justices and the landmark decisions that have defined the legal code throughout the history of the United States. There is also as glossary of legal terminology and a listing of related Internet resources which are intended to bring a deeper perspective to the textual matter.
