Not illustrated. 1853 Excerpt: ... unto Messrs. Rothschild & Sons, of London, or his or their assigns, he or they paying freight at the rate of one and three eighths per cent. All the boxes were brought across the Isthmus of Panama, and were shipped at Chagres for Southampton, where they arrived in due course; but in the course of their transmission to London, by the railway, one of the boxes was stolen, without violence. The jury found that the defendants were guilty of negligence in the conveyance of them to London, and that this negligence caused the loss. *De Rothschild v. The Eoyal Mail Steam Packet Company*. Under his lordships direction, the verdict was entered for the defendants, with liberty to the plaintiffs to move to enter the verdict for them. A rule nisi had, accordingly, been obtained, against which The Attorney-General (F. Thesiger), Crowder and Needham, now showed cause.¹ The defendants are protected by one or other of the exceptions specified. First, as to the meaning of the word robbers. It is admitted that the legal meaning of robbery for the purposes of criminal proceedings, is a felonious taking from the person of another, or in his presence, by violence; but, looking at this bill of lading as a commercial contract, and the objects contemplated by it, the word robbers cannot be interpreted in its strict sense, but must include any felonious taking. Such goods as these could not be carried about the person so as to be exposed to robbery in this sense, but they would be exposed to the ordinary danger of thieves; and that is the proper construction to be put on the word robbers. There are many instances in the law where this extended and popular meaning has been

given to the word robber. They referred to
