

Fade Out: A Lisa Powers Crime Fiction Novel (Behind the Mic Mysteries Book 1)

Impetuous and driven. Young radio reporter Lisa Powers has a lot to learn, but in her zeal to cover the big city crime beat, finds herself facing down criminals in addition to reporting on them. From the dark streets of the metro Phoenix area to the peaceful red rocks of Sedona, Lisa dodges bullets investigating the cold case of a kidnapped bank executive found murdered, and discovers horrors she never imagined while tracking down a missing father. She's first on the scene of a massive fire that destroys the opulent mansion of a reclusive pharmaceutical heir, but her career is jeopardized when the story gets way too hot. Come along for a fast paced ride in Laurie Fagen's debut crime fiction novel.
