

The Video Source Book: 9 Volume Set

THE VIDEO SOURCE BOOK continues its comprehensive coverage of the wide universe of video offerings with more than 170,000 programs on video, encompassing such categories as Movies and Entertainment, Instructional, Business and Vocational Training, Fine Arts, and Childrens and Educational videos. All listings are arranged alphabetically by title. Each entry provides a description of the program and information on obtaining the title. Six indexes help speed research. Published twice a year.
