

Facts and Figures 2002: Tables for the Calculation of Damages

Now in its seventh edition, this collection of tables is produced by the Professional Negligence Bar Association and comprises a wide range of up-to-date financial and statistical information, designed to assist with the calculation of special damages and claims for loss of earnings in personal injury cases. Its comprehensive contents include: actuarial tables; life, multiplier and discount tables; various interest tables; prices; investment tables; earnings tables; tax and insurance tables; benefits, allowances and charges; and additional materials.
