

Foreigners Rights in Thailand

For the first time, an in-depth overview of how Thai law protects you as well as how it is too often used against you. The unwary traveler to the kingdom, and often even a long-time resident, is generally ignorant of Thai laws and any rights that can be exercised, and should be exercised, when you are confronted by scam artists, officials who don't care, and have your vacation interrupted with an extortion effort. Your time is limited, but your money is not? Leave Thailand with a smile - your money, and a tale to tell!
