

Anna in the Tropics

This poignant and poetic 2003 Pulitzer Prize-winning play captures 1929 Florida at a time when cigars are still rolled by hand and lectors are employed to educate and entertain the workers. The arrival of a new lector is a cause for celebration. But when he reads aloud from Anna Karenina, he unwittingly becomes a catalyst in the lives of his avid listeners, for whom Tolstoy, the tropics, and The American Dream prove a volatile combination. Starring (in alphabetical order): Alma Martinez as Ofelia, Jonathan Nichols as Palomo/Eliades, Winston Rocha as Santiago, Onahoua Rodriguez as Marela, Adriana Sevan as Conchita, Herbert Siguenza as Cheche, Jimmy Smits as Juan Julian. Also includes an interview with Jimmy Smits.
