

## Lotus Flesh of Bob Chinn: Johnny Wadd from Screen to Novel

Bob Chinn. His name is legendary in adult film circles. A pioneering adult film director, he worked with the equally legendary John Holmes on a series of adult XXX movies featuring the private detective Johnny Wadd. The films were highly influential, referenced in the mainstream Hollywood hit Boogie Nights. But Chinn always felt hamstrung by low-budgets and rapid shooting schedules. Thus, many decades later, he put pen to paper (or fingers to keyboard) to begin a series of Johnny Wadd novels, starting with the second film in the Wadd series, *Flesh of the Lotus*. The *Lotus Flesh of Bob Chinn* is a multi-media film / book comparison, reviewing Chinn's work as author and filmmaker. A critique of both film and novel, it is an uncensored retrospective of one of the classics of XXX cinema history which places the Johnny Wadd legacy in a cultural and sexual context. This is adult cinema up close and personal - an insider history of the Other Hollywood and the era of porno chic XXX cinema and pulp fiction for discerning adults.
