

Forcing Elegance Part 2 - Tricks and Routines

Prepare for some truly stunning and puzzling card magic, tricks that seem so impossible as to be real. The Count has created a series of 30 of the most bizarre magic tricks you've seen, some of them so devilishly easy you can perform them within a few minutes of practice, others much more complex so as to fool magicians. Ranging from classic plots retold or restructured to make them more straight forward and dazzling to the audience than ever to totally unique creations and stories. There's some great magic in here for kids, great tricks for adults, great magic for magicians, some for everyone including mentalism and cards. In addition to over 30 rich effects there are 10 full length routines complete with patter and presentation notes, enough to kick start weeks of magic fun!
