

Pandemic (An Agent Paul Richter Thriller Book 3)

Eliminate everyone who knows
The wreck of an aircraft raises questions and uncovers a horrific truth for Agent Paul Richter
Off the island of Crete an illicit diver finds a 30-year-old aircraft on the seabed. He recovers a steel case containing four sealed flasks from amongst the corpses still trapped inside. Within twelve hours he succumbs to a hideous death.
Agency trouble-shooter Paul Richter is sent to investigate, but encounters far more questions than answers. Why has the CIA ordered the total destruction of the aircrafts remnants? Why is a hit team roaming the island? Who is targeting members of the hit team itself? And why are retired agents back in America facing professional assassination?
As Richter gets ever-closer to unravelling a decades-old secret, even he is unprepared for the sheer horror that awaits.
James Barrington continues the Paul Richter series in this nail-biting techno-thriller for fans of Chris Ryan, David Baldacci and the Bourne films
