

Painting the Corners: Off-Center Baseball Fiction

Imaginative baseball stories for long rain delays and hot stove league nights. Darryl Brock, author of *If I Never Get Back* and *Two in the Field* Bob Weintraub's marvelous collection of baseball stories goes directly to the core of what the game does for us when we watch it being played on the field, and shows how its heroes and villains can reach into our lives and remain a part of us for the rest of our days. The stories are told from various perspectives, including those of the player, manager, general manager, coach, scout, owner, writer, broadcaster, and fan. In *Knuckleball*, a manager is beside himself when he can't let his star knuckleball pitcher start the seventh game of the World Series because the only catcher he's ever had in the big leagues suddenly goes down with an injury. The team from Alcatraz, in *The Way They Play Is Criminal*, has a bag full of dirty tricks waiting to spring on its San Quentin rivals, and it uses them all. A father on a college tour with his daughter happens upon the very same autographed baseball he saw a friend catch in Fenway Park's bleachers thirty years earlier, and learns, in *The Autograph*, how a twist of fate has brought the friend together with the player who hit it. A veteran outfielder goes into the last game of his career batting .299 with 299 home runs and, in *Just One to Go*, gets his only chance to hit with two outs in the ninth. In these and other stories, Weintraub infuses baseball with humanity, originality, humor, and compassion, and raises the game to a new level of understanding and love. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde,

Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
