

First published in 1993, the Red Dwarf Programme Guide has been reprinted many times, selling over 180,000 copies world-wide. It is highly respected by the Red Dwarf production company, Grant Naylor, who constantly refer to it as a continuity guide. This latest edition is completely updated to include details of the recent eighth season, along with new photographs, news of the forthcoming movie and totally revised information throughout all sections of the book. In addition to a guide to all the episodes, the Dwarf Programme Guide contains back information, a Crew Roster describing history of all characters (including Kocha a comprehensive database detailing all and aspects of Red Dwarf existence and e information on spin-off products and me dise. This up-to-date reference guide contains everything you could possibly want to k1 about Red Dwarf and its crew members a try to make their way back to Earth.
