

The Fourth Day

The Fourth Day is about multiple murders on the PGA Tour; murders that have gone unsolved until Jim Balfour becomes obsessed with finding answers. A former Tour player, Balfours search leads him to suspect a serial killer is walking the fairways and he makes it his mission to convince the authorities he is right. When Balfours meddlesome actions become a threat to the killer and the lifestyle he loves, he retaliates as only he can. The retaliation and its fallout far exceeds any and all of Balfours naive expectations. The Fourth Day deals with the pursuit of closure ...its costs and its implications.
