

Tax Aspects of the Purchase and Sale of a Private Company's Shares: A Summary of Tax and Related Commercial Considerations for Buyers and Sellers (Twenty-First Edition)

Tax Aspects of the Purchase and Sale of a Private Company's Shares ties together in one informative book the UK's ever-increasing legislation, case law, and extra-statutory material that tax advisers need to be aware of when purchasing and selling shares in private companies. Practical and user-friendly, the book provides the tax planning solutions that are found from a commercial and tax perspective in the UK, but also strikes a happy medium between the buyers and the sellers' expectations. This indispensable guide is essential reading for accountants, lawyers, tax practitioners, directors, shareholders, potential investors, corporate financiers, company secretaries, and all those professionals involved in tax, merger, and acquisition planning in the UK.
