

Guide to DFARS Contract Clauses

The Guide to DFARS Contract Clauses: Detailed Compliance Information for Government Contracts is a print version of our popular DFARS Matrix Tool. It provides the full text of every DFARS solicitation provision and contract clause, followed by a detailed, plain English explanation, relevant reporting requirements, subcontract flowdowns, corresponding Federal Acquisition Regulation clause, and other important compliance information. This publication provides a convenient, easy to use source that will help you save time and stay on top of important compliance requirements. In addition, Guide to DFARS Contract Clauses: Provides clear explanations of compliance requirements so that associated costs can be considered during proposal development Provides flowdown requirements, which helps ensure these are included in relevant subcontracts Highlights recent amendments so user can track changes to the regulation and keep abreast of changes pertaining to new solicitations Provides a list of prior version of each clause or provision so user can locate versions that apply to earlier contracts, which is particularly helpful for multi-year contracts And much more!
