

The Funeral Preplanning Guide, Volume Two

Preplanning your funeral is the best way to ensure a ceremony that celebrates your time on earth without bringing extra stress to your loved ones. The Funeral Preplanning Guide is your go-to resource for information on preplanning funerals. It will help you: Bring peace of mind to your survivors by eliminating many of the decisions they will have to make following your death. Save money on services and products, including caskets, burial locations, and more. Decide how your body will be prepared, handled, and preserved. Avoid mistakes and anxiety by thinking deeply about what you want ahead of time. The Funeral Preplanning Guide, Volume Two will help you personalize your preplanned funeral and save money on funeral costs.
