

Hillbilly Gunslinger

Tyler James has been uprooted and moved to the rural area of the Ozarks, in Missouri. He is upset and unhappy living with his family and ailing grandmother. The loss of his father in the Iraq War, has not helped the situation. Once football practice begins, he finds himself facing a number of new challenges, which include a desperate coach, a beautiful girl, and a team full of players that need his help and his support. Tyler faces the unknowns that wait for him: the town, his team, and his family. By his accomplishments, he makes his mark for everyone concerned.
