

Scorpions Kiss

Zen Buddhism and Bad Women High-flying international businessman, Paul Harris, is not accustomed to losing, either in business or romance. But after moving to a small town in the Midwest, he meets the seductively poisonous Mara who has a game plan with a whole new set of rules. A dark, thrilling, suspenseful adventure. Scorpions Kiss is a cosmic cycle saga that incorporates elements of Buddhism and dysfunctional romance into its tumultuous plot. A gripping story that cannot be left unfinished, Scorpions Kiss is highly recommended reading. -Midwest Book Review A must-read emotional roller coaster ride. Absolutely riveting.
