

Shakespeares Thematic Puzzles!: To solve puzzles or not to solve puzzles That is the question!

This book is focused in the works of William Shakespeare. However, it is not a history book. It is a book of games inspired in his figure. A thematic puzzle is a kind of game where all the questions are focused on a specific subject. For example, a question could be: Othello used to live in the city of Do you remember where he lived? If you are a fan of Shakespeare, or you want to know a bit more about his work in a funny way, or you just love word games, this book was made for you. There are different levels for the puzzles. To solve most of them you just need the knowledge that an average educated person has. I must confess that the idea of writing these serial of books belongs to my friends. I have written it just to say Thank you to all of them.
