

# God! I Cant Take it Any More: Surviving the Pain of Divorce and Marital Separation

If you feel like you have reached the end of your rope in your marriage and just cant take it anymore, then this book is for you. It began as a cathartic self-help journal written by the author, Jeff Harris, while he suffered the overwhelming pain of his separation and divorce. Jeff discovered first hand, that even as a Christian, the pain, disparity and loneliness associated with divorce is capable of pushing anyone to their breaking point. As Jeff struggled to find his way, he allowed God to use his personal turmoil as a lesson that would catapult him onto an exciting life changing journey. This book is written in everyday language, as if the author is talking to a close friend. It is the real life account of his struggles, challenges and spiritual growth during this difficult time in his life. If you have ever thought or spoken the words, God I cant take it any more, you will find this book inspiring and comforting possibly putting you on a course that will change your life.
