

Environmental Law Enforcement and Compliance: Leading Lawyers on Communicating with Enforcement Agencies, Overcoming Compliance Challenges, and Developing Response Strategies (Inside the Minds)

Environmental Law Enforcement and Compliance provides an authoritative, insiders perspective on key strategies for aiding clients in complying with environmental regulations. Featuring partners from some of the nations leading law firms, these experts guide the reader through the process of keeping company leaders up-to-date on changes in agency enforcement and discuss tips on establishing effective compliance plans. These top lawyers offer their advice for developing a collaborative relationship with enforcement teams, identifying potential legal issues, and responding to alleged violations. From gathering key information to planning workforce trainings, these authors discuss the importance of fully understanding the clients business before finalizing a compliance plan. These leaders also share their strategies for anticipating upcoming developments in environmental law. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to success within this increasingly enforced area of law. Inside the Minds provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters Include: 1. Karl R. Heisler, Partner, Katten Muchin Rosenman LLP - Understanding Environmental Law Enforcement 2. Sean M. Sullivan, Partner, Williams Mullen - Judicial Deference to Federal Administrative Agencies: Understanding

the Landscape and Developing Strategies Accordingly 3. Nicolle R. Snyder Bagnell, Partner, Reed Smith LLP - Workforce Training and Other Key Aspects of Environmental Law Compliance 4.
