

House Justice (A Joe DeMarco Thriller, Book 5)(Library Edition) (Joe DeMarco Thrillers (Audio))

[Library Edition Audiobook CD in vinyl case.] [Read by Joe Barrett] In his thrillers starring Joe DeMarco, Mike Lawson has made a name for himself as one of the most entertaining and insightful writers focusing on the dirty games played in our nations capital. In House Justice, an American defense contractor goes to Iran to sell missile technology, and the CIA knows all about it thanks to a spy in Tehran. But the story is leaked to an ambitious journalist, and the spy is burned, brutally tortured, and executed. The director of the CIA isnt about to let the callous sacrifice of his valuable spy go unpunished. DeMarcos boss, Speaker of the House John Fitzpatrick Mahoney, has his own reasons to get to the bottom of the leak. He once had a fling with the journalist, and now that shes in jail for refusing to reveal her source, she is threatening to tell all unless he helps get her out. DeMarco and the CIA arent the only ones looking for the source of the leak. Someone else wants to avenge the spys death and is tailing DeMarco, hoping hell lead him to his prey. House Justice is classic Mike Lawson, fascinating characters, inside-the-beltway intrigue, and a gripping plot packed with surprises.
