

## Sicilian Defense

A chessboard of violence On one side was the most powerful Sicilian family in New York, with an interest in every form of illegal moneymaking in the metropolis. On the other side was a ruthless and determined black organization intent on carving out its own underworld empire. And the key piece of the gigantic game of murder and double cross being played out throughout the city was the Don himself, Sal Angeletti, his life hanging by a thread over a churning sea of blood.
