

This novel is inspired by a true story of a high school student from New Jersey who becomes the junior karate champion of the world. His prayers, his dreams, and his triumphs are glorious! And the parents' love for him is tremendous. Great events happen Over the Weekend. The champion meets the twins from the Third World. He accepts the twins' invitation to compete in the extreme tournament in their world, to win the medallion of grace with amazing power. The parents panic upon discovering the disappearance of their son. The military joins in full force to find the twins. The mass media reports the incident throughout the world. The action that follows is a mysterious explosion beyond the limits of human comprehension. True event is happening in real time, in real place, and with real people. But it is not a miracle. As the week is concluding, the champion comes home to join his family. The twins come back to commence implementing their mission for peace on Earth. The military is technologically disarmed by alien power. The people come to realize the heavenly grace of change that they can count on. And the world is changed!
