

How to Survive and Prosper After a Financial Misfortune: A Complete Guide to Your Legal Rights After Bankruptcy, Foreclosure, Repossession, and Eviction

Every year, it is estimated by the U.S. Census Bureau that more than 700,000 people file for bankruptcy. Another 1-2 million must deal with foreclosure, repossession, or eviction. These financial misfortunes can take a toll, but you do not have to let them ruin your life. How to Survive and Prosper After a Financial Misfortune will help you make the financial and personal decisions necessary to rebuild your life and come out on the other side. You will learn how to start rebuilding your credit immediately, how to shuck the social stigma associated with filing for bankruptcy, and what your rights are coming out of a repossession or eviction. You will learn the housing options available after you file for foreclosure and how to negotiate with the bank to make the process less damaging. You will learn the different ways you can overcome the black marks on your record, find a new home, and acquire hard-to-find financial assistance. This book also contains advice from experts in debt management and bankruptcy law to provide a comprehensive perspective of financial hardships. Dozens of interviews were conducted with experts in the field of debt management, bankruptcy law, and social work in the hopes of providing a comprehensive perspective of what millions of individuals have gone through before you and how they managed to survive the tumultuous aftermath of their financial hardships.
