

Im Sorry I Haven't A Clue: The Specials

This classic collection includes four Clue specials. Im Sorry I Haven't a Clue meets Charles Dickens A Christmas Carol in the Gold Sony Radio Award winner Im Sorry I Haven't A Christmas Carol. Humph in Wonderland is a thoroughly daft take on Lewis Carroll. Including 20 minutes of bonus material not heard on transmission, it is also a fitting tribute to the late, and much-missed, Humphrey Lyttelton. Anniversary Special celebrates the show's 30th birthday, and includes the hour-long special, plus Im Sorry I Haven't a Desert Island and the first ever episode of Clue. In Search of Mornington Crescent uncovers the mystery of the ever-popular game, with contributions from well-known experts and enthusiasts of the game. 7 CDs. 7 hrs 40 mins.
