

Alfie and George

The Sunday Times bestseller is back, with his biggest adventure yet. The perfect read for fans of James Bowen. As the residents of Edgar Road know, Alfie is no ordinary cat. Since his arrival in the street, he's made every house his home, helping this group of neighbours to become friends for life. But now there's a new cat on Alfie's turf - a tiny ball of fur called George. With no home to call his own, this little kitten is in desperate need. And little does Alfie know that they've got quite an adventure ahead of them to get him through this most difficult of times. A heart-warming story that's impossible not to love. Alfie is back and more adventurous than ever!
