

Welcome to Our Nightmares: Behind the Scene with Today's Horror Actors

George Clooney, Leonardo DiCaprio, Amy Adams, Tom Hanks--many of today's most celebrated actors began their careers on the sets of horror movies. However, the majority of performers in even the most popular horror films remain relatively unknown. This engaging collection of profiles introduces many of the actors behind the heroes, heroines, monsters and villains who have terrified and fascinated moviegoers around the world. From Michelle Argyris, who embodied a possessed college student in *Devil Seed* (2012), to Ian Whyte, the 7 foot tall former basketball player who portrayed one of cinema's most iconic monsters in *Aliens vs. Predator* (2004), the profiles offer insight into how the actors prepared for and performed their roles. Longer essays explore the casts of renowned horror series, including *Saw*, *Halloween*, *Nightmare on Elm Street* and *Friday the 13th*, providing a window into the world of horror filmmaking.
