

You Only Rock Once: My Life in Music

The long-awaited autobiography of entertainment icon Jerry Blavat, *You Only Rock Once* is the wildly entertaining and unfiltered story of the man whose career began at the age of 13 on the TV dance show *Bandstand* and became a music legend. Lifelong friendships with the likes of Sammy Davis Jr. and Frank Sinatra, a controversial relationship with Philadelphia Mafia boss Angelo Bruno that resulted in a decade-long FBI investigation, and much more colors this amazing journey from the early 60s through today. Now, some 50 years after his first radio gig, Blavat puts it all in perspective in this uniquely American tale of a little cockroach kid borne out of the immigrant experience who lived the American Dream.
